14	Colours

Inforlandia is a small company located in Valencia that provides many services from repairing computers and phones, printing and scanning to selling phones accessories.

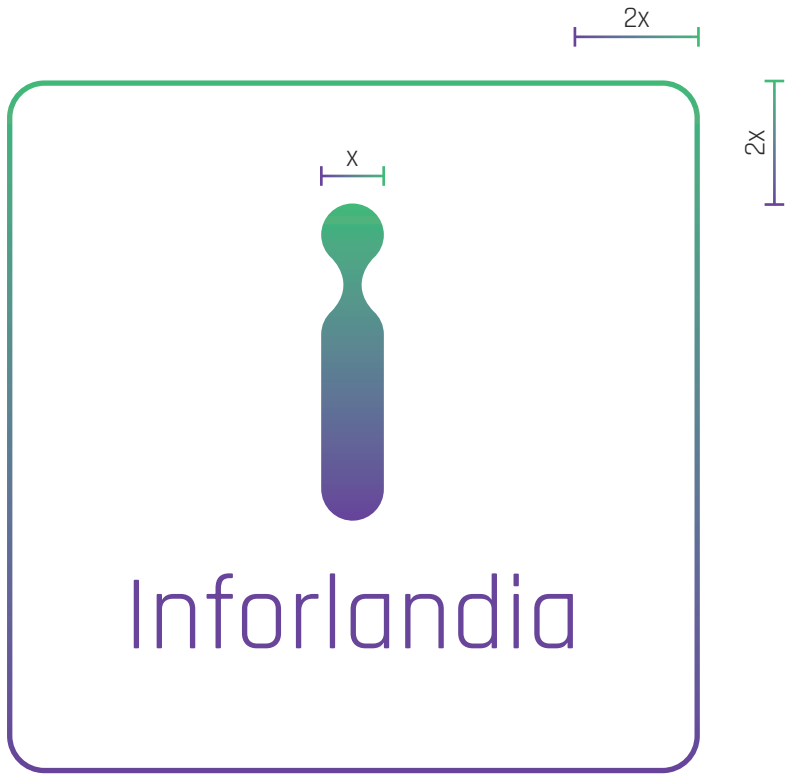

Inforlandia

The logo is created from the symbol and the name of the company. The symbol is a lowercase letter i that represents two islands connected to each other with abstract information flow.

X is equal to the width of the logo.

To ensure legibility, the logo must stand out and not be cluttered with competition elements. This is achieved by surrounding the logo with clear space that is kept free of any type or distracting graphics. X is equal to the width of the logo.

To make sure the logo and the symbol are always clear and legible, the minimum size of the logo is 15 mm and the minimum size of the symbol is 10 mm.

- \* Correct horizontal logo
- \*\* Correct vertical logo
- 1 Incorrect capitalized name
- 2 Incorrect colours of the gradient
- 3 Incorrect transform
- 4 Incorrect rotation
- 5 Incorrect vertical way of the gradient
- 6 Incorrect horizontal way of the gradient

Use positive gradient logo on the clear background and negative gradient logo on the busy background.

Rajdhani

# The spectacle before us was indeed sublime.
