SOME FACTS ABOUT SICILY

Is sicily Italy? Yes, our Island is Italian and French and Spanish and Greek with a few German and Arab nuances in its cultural mix. It is the world's island. This is a place where time and tradition have been forged by people and faiths from the north and south, from the east and west. Beauty in diversity: Europe, Africa and Asia in one magical moment... Discover Sicily and discover the world. The world's first multicultural society, our island is Italy's (and Europe's) most historically cosmopolitan region, having been ruled by Asians, Africans and Europeans.

Sicily is black and white and million shades of gray. There's no other place on Earth like it. Our island is a unique place full of art, archeology, history, folklore and breathtaking scenery. And, of course, great food! It's almost a nation unto itself. The enchanting land where Archimedes taught and Saint Paul preached was a Greek colony, a Roman province, an Arab emirate and a Norman kingdom. The Phoenicians, Carthaginians, Swabians, Angevins, Aragonese and

ABOUT US

EprojectConsult is a professional organization that deals with education, training and European culture. EprojectConsult is specialized in the preparation and in the implementation of national and international projects.

we work as a hosting partner and participant for EU programs, for example Leonardo Da Vinci Mobility and Youth In Action. This means we create and organize European projects that are approved and funded by the European Union.

In this field EprojectConsult provides quality consulting and organizational services. Furthermore, we advise institutions, corporations, non-profit organizations and others on the subject of European Programmes, training modules and courses in formal and non-formal education for their clients or employees.

OUR MISSION

Showing you a different view! While it may look very obvious, it is very appropriate mission for EprojectConsult. Through our marketing and human resources skills we organize, host and participate in international projects that bring together people from around the world. In this way these people can share their ideas and culture, which is an experience that may leave you with a different opinion than you started out

OUR VISION

Be recognized as a high quality international partner. The people working at EprojectConsult are constantly improving themselves, our vision is to continue learning without pause. We already have a professional staff which we hope will be expanded in the future, making us one of the best and most reliable partner organization there is to find for your business. This being a cooperation, partnership, or just a training period is of no importance, every person or company is treated by the same high standards.

BARCELLONA POZZO DI GOTTO

Barcellona Pozzo di Gotto is located in the north coast of Sicily. It belongs to the Province of Messina, one of the most important cities of Sicily. The city proper has a population of over 40,000 inhabitants. The strategic location is surrounded by many wonderful cities:

Messina 45 km;
Palermo 180 km;
Catania 180 km;
Taormina 80 km;
Agrigento 200 km;
Eolian Islands
20 km.

Barcellona Pozzo di Gotto is a very nice town, located very close by the seaside area, very busy during the day and very calm during the night time. moreover, there are many interesting places to visit, like natural parks, museums, ancient villages and Greek/Roman areas.

Please, keep in mind, that in Sicily SIESTA TIME star starts at 13.00 and ends at 17.00! During this time all the shops and markets are closed.
